August 5, 2015

To whom it may concern:

This letter is to verify that Surety Bonds relative to licensing of NC Landscape Contractors may be written after August 1, 2015.

A possible misconception may have occurred relating to the grandfather period which ended August 1, 2015, but licensing for landscape contractors after the grandfather period will continue as new landscape contractors and those who did not qualify for licensure under the grandfather provisions apply for licensure.

Please continue to use the NC Landscape Contractors' Licensing Board Surety Compliance Bond (SB01) for future bonds, which may be obtained from the NC Landscape Contractors' Licensing Board website: www.nclclb.com.

If there are any questions, or if I may provide additional information, please contact me at 919.266.8070.

Sincerely,

Calvin M. Kirven
Executive Administrator
