**COMPLAINT AND APPLICATION**  
**FOR INJUNCTIVE RELIEF**

---

Pursuant to N.C. Gen. Stat. § 89D-24 and Rule 65 of the North Carolina Rules of Civil Procedure, Plaintiff complains against Defendant and moves for injunctive relief, and in support of which alleges and says as follows:

1. Plaintiff, the North Carolina Landscape Contractors' Licensing Board (hereinafter "Plaintiff Board"), is an agency of the State of North Carolina created under the authority of Chapter 89D of the North Carolina General Statutes.
2. Upon information and belief, Defendant Custom Stone NC Inc. ("Defendant"):
  - a) Is a corporation organized under the laws of North Carolina with a principal place of business of 1001 Ellis Road, Durham, Durham County, North Carolina. Thomas Richard Benner is the Registered Agent and President for Defendant; and
  - b) Not presently and was not previously licensed by Plaintiff Board as a "Landscape Contractor," as that term is defined by N.C. Gen. Stat. § 89D-11(3).
3. Steel Oak, LLC ("Steel Oak") is a limited liability company organized under the laws of the State of North Carolina. Steel Oak is not presently and was not previously licensed by Plaintiff Board as a "Landscape Contractor," as that term is defined by N.C. Gen. Stat. § 89D-11(3).
4. Upon information and belief, Steel Oak hired Defendant to work as a subcontractor for landscape construction on certain projects.

5. Plaintiff Board is charged with the regulation of landscape contractors in North Carolina and is authorized to bring this action under N.C. Gen. Stat. § 89D-24(a) which provides:

If the Board finds that a person who does not have a license issued under this Chapter is engaging in the practice of landscape construction or contracting, the Board may appear in its own name in superior court in actions for injunctive relief to prevent any person from violating the provisions of this Chapter or the rules adopted by the Board.

6. N.C. Gen. Stat. § 89D-11 defines “Landscape Contractor” as “Any person who, for compensation or other consideration does any of the following:

- a) Engages in the business requiring the art, experience, ability, knowledge, science, and skill to prepare contracts and bid for the performance of landscape services, including installing, planting, repairing, and managing gardens, lawns, shrubs, vines, trees, or other decorative vegetation, including the finish grading and preparation of plots and areas of land for decorative utilitarian treatment and arrangement.
- b) Practices the act of horticulture consultation or planting design for employment purposes.
- c) Constructs, installs, or maintains landscape drainage systems and cisterns; provided the landscaping contractor makes no connection to pipes, fixtures, apparatus, or appurtenances installed upon the premises, or in a building to supply water thereto or convey sewage or other waste therefrom as defined in G.S. 87-21.
- d) Designs, installs, or maintains low-voltage landscape lighting systems, provided (i) the work does not exceed the scope of the exception set forth in G.S. 87-43.1(7) and (ii) the low-voltage lighting systems do not exceed 50 volts and constitutes a Class II or Class III cord and plug connected power system.
- e) Engages in the construction of garden pools, retaining walls, walks, patios, or other decorative landscape features.”

7. N.C. Gen. Stat. § 89D-11(2) defines “Landscape construction or contracting” as “The act of providing services as a landscape contractor, as defined in this section for compensation or other consideration.”

8. N.C. Gen. Stat. § 89D-12(a) provides:

Except as otherwise provided in this Chapter, no person shall engage in the practice of landscape construction or contracting, use the designation “landscape contractor,” or advertise using any title or description that implies licensure as a landscape contractor unless the person is licensed as

a landscape contractor as provided by this Chapter. All landscape construction or contracting performed by a partnership, association, corporation, firm, or other group shall be performed under an individual who is readily available to exercise supervision over the landscape construction and contracting work and who is licensed by the Board under this Chapter.

9. N.C. Gen. Stat. § 89D-13(5) provides a limited exception for projects “where the price of all contracts for labor, material, and other items for a given job site during any consecutive 12-month period is less than thirty thousand dollars (\$30,000).”
10. Upon information and belief, Defendant engaged in the practice of landscape construction or contracting in violation of N.C. Gen. Stat. § 89D-12(a). Specifically, on or about June 22, 2023, Steel Oak submitted an estimate to Theodore Lithgow (“Lithgow”) to provide landscaping services for a property located at 12562 Village Springs Rd., Raleigh, Wake County, North Carolina. The total cost breakdown was \$654,999.77. **Exhibit A**.
11. As part of the above-referenced estimate, Defendant was listed as a subcontractor to perform extensive hardscape work at the above-referenced property. Defendant’s subtotal for the estimate was listed as \$182,632.84. **Exhibit A**.
12. On February 28, 2024, Lithgow paid Defendant \$35,436.68 for the above-referenced project. **Exhibit B**.
13. On March 31, 2024, Lithgow paid Defendant \$53,155.02 for the above referenced project. **Exhibit C**.
14. On May 28, 2024, Lithgow paid Defendant \$15,326.34 for the above referenced project. **Exhibit D**.
15. On February 28, 2024, Lithgow paid Defendant \$70,873.36 for the above referenced project. **Exhibit E**.
16. By entering into a contract for landscaping services in excess of \$30,000.00 during a 12-month period without first obtaining requisite licensure from Plaintiff Board or qualifying for any of the licensure exemptions set forth in N.C. Gen. Stat. § 89D-13, Defendant has engaged in the unlicensed practice of landscape construction and contracting.

17. Plaintiff Board is entitled to have the Court restrain and permanently enjoin Defendant from any further conduct in violation of the law.

WHEREFORE, Plaintiff Board respectfully prays the Court for the following relief:

- I. That Defendant be permanently enjoined from the practice of landscape construction or contracting in North Carolina, where the price of all contracts for labor, material, and other items for a given job site during any consecutive 12-month period is valued at an amount greater than thirty thousand dollars (\$30,000) unless and until such time as Defendant is properly licensed by Plaintiff Board.
- II. That cost of this action, including Plaintiff Board's reasonable costs associated with the investigation and prosecution of Defendants' violations, be taxed against Defendant.
- III. That Plaintiff Board have and recover such other and further relief against Defendant as the Court may deem proper.

This the 27th day of August, 2025.
